

PHTLS 9e Course Plan

Day 1

07:45	15 minutes	Registration
08:00	15 minutes	Welcome and Introductions
08:15	30 minutes	Lesson 1: Introduction
08:45	45 minutes	Lesson 2: Scene Management and Primary Survey
09:30	15 minutes	Break
09:45	60 minutes	Lesson 3: Airway
10:45	10 minutes	Break
10:55	30 minutes	Assessment and Airway Skills Skill Station 1: Primary Survey of a Trauma Patient Skill Station 2: Basic Airway Skills Trauma Jaw Thrust (Single-Provider Technique) Trauma Chin Lift (Two-Provider Technique) Oropharyngeal Airway Insertion with Use of the Tongue-Jaw-Lift Insertion Method Oropharyngeal Airway Insertion with Use of the Tongue-Blade Insertion Method One-Provider Bag-Mask Device Technique Two-Provider Bag-Mask Ventilation Technique
11:35	60 minutes	Lunch
12:35	60 minutes	Lesson 4: Breathing, Ventilation, and Oxygenation
13:35	10 minutes	Break
13:45	60 minutes	Lesson 5: Circulation
14:45	40 minutes	Breathing and Circulation Skills Skill Station 1: Tourniquet Application and Needle Decompression Skill Station 2: Wound Packing
15:25	30 minutes	Lesson 6: Secondary Survey
15:55	10 minutes	Break
16:05	75 minutes	Patient Simulations 1—Airway-Breathing-Circulation Patient Simulation 1—Airway Patient Simulation 2—Breathing Patient Simulation 3—Circulation
17:20	10 minutes	Questions and Adjourn
Total Classroom Time:		8.0 hours

Day 2

08:00	30 minutes	Group Discussion and Review Day One
08:30	60 minutes	Lesson 7 Part 1: Disability: Traumatic Brain Injury
09:30	15 minutes	Break
09:45	60 minutes	Lesson 7 Part 2: Disability: Spinal Trauma
10:45	60 minutes	Circulation, Disability, and Optional Skills Skill Station 1: Junctional Tourniquet Application Skill Station 2: Rapid Extrication Skill Station 3: Optional Skills
11:45	60 minutes	Lunch
12:45	60 minutes	Lesson 8: Special Considerations
13:45	15 minutes	Break
14:00	45 minutes	Optional Lesson or Patient Simulations: Instructor's Choice
14:45	60 minutes	Patient Simulations 2 and Optional Skills—Disability-Multisystem-Special Considerations Patient Simulation 1—Disability Patient Simulation 2—Multisystem Patient Simulation 3—Special Considerations Patient Simulation/Skill Station 4—Optional Skills
15:45	60 minutes	Lesson 9: Summation
16:45	60 minutes	Final Written Evaluation
17:45	15 minutes	Questions, Award Certificates, and Adjourn
Total Classroom Time:		8.0 hours
